AIR FRESHNER SERVICE

The Hygolet air fresheners eliminate and prevent unpleasant odors in toilets, cloakrooms, entrance areas and guarantee pleasant air around the clock.

- Real-time programming by means of a built-in clock
- Adjustable intensity, start and duration
- User-friendly
- Low-energy consumption

Product information

70.055 Hygofresh 3000:	W/H/D 115 x 200 x 86 mm
70.200 Hygoventi:	W/H/D 88 x 210 x 83 mm

Scope of services:

Exchange (scent cans/tabs, batteries), programming, route costs

TOILET SEAT SERVICE

The Hygolet hygienic seat is the only way to guarantee your customers and employees a 100% clean seat. We offer you an optimal service interval, where we service the equipment, refill it and test its functionality.

FEMININE HYGIENE SERVICE

The feminine hygiene service stands for cleanliness and cleanness in ladies' restrooms. We regularly visit your premises and ensure that the containers are cleaned, fitted with new waste and scented bags and in perfect condition.

CLOTH ROLL SERVICE

The Hygolet fabric roll service offers you the possibility of not having to worry about placing orders. We agree on the stock/consumption quantity and you can use it. Clean and washed fabric rolls are brought to you at regular intervals and exchanged for the used ones.

MOUNTING AND DELIVERY SERVICE

Do you have new washrooms that need to be equipped with appliances and dispensers? Or are you not satisfied with the existing ones and want to replace them? We not only offer you an attractive range of appliances, but also take care of the disassembly and assembly.

Make it even easier for yourself and arrange with us to deliver according to your needs. Floor deliveries also possible!

Electric hand dryer

Consumables
70.690H HEPA Filter

W/H/D 320 x 665 x 228 mm
Art. no. 70.690W

Electronic hand dryer

- Fast, energy-efficient, ecological and hygienic thanks to Dualflow Plus technology
- Two pairs of sensors on both sides for fast hand detection
- Up to 410 km/h air speed
- Dries hands in 8 - 15 sec.
- Adjustable motor power (420 to 1100 W)
- Heating element can be manually activated and deactivated
- Low noise level (62 dBA in Eco mode)
- Made of antibacterial ABS plastic (Bio-code)
- HEPA filter improves air quality and filters pollen, mites and tobacco odor
- Can optionally be connected directly to the waste water system

Scope of delivery:

HYGOFLOW-U

Electric hand dryer

Consumables

70.691H HEPA Filter

70.691P Scented pearls

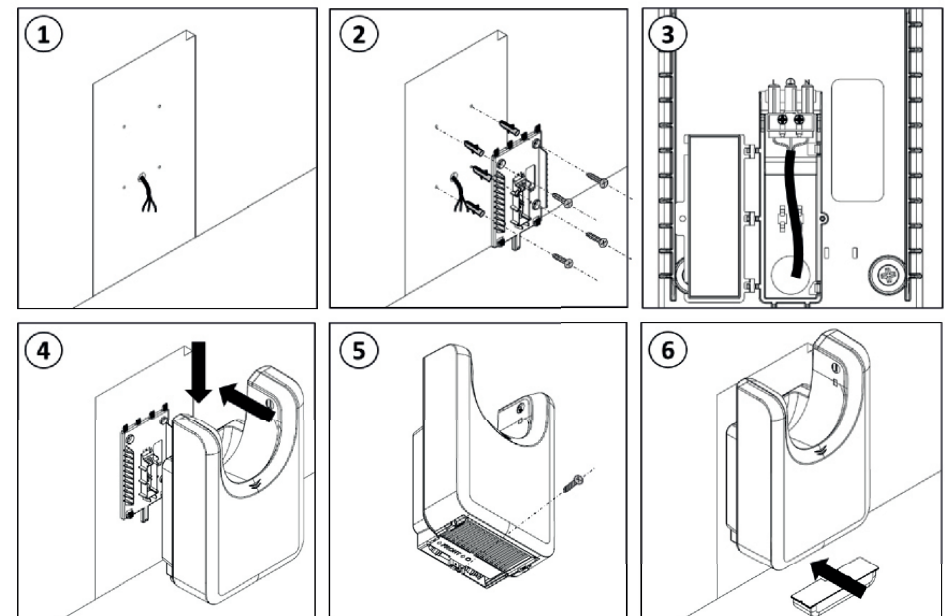

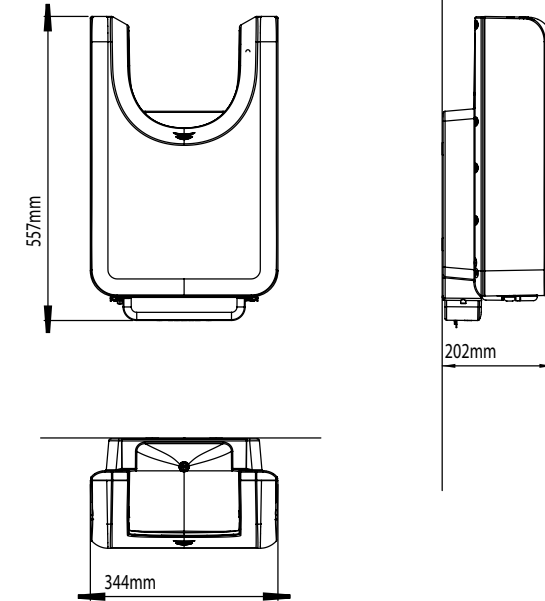

W/H/D 344 x 557 x 202 mm

Art. no. 70.691W

The innovative ergonomic U-shaped design allows complete freedom of movement and makes hand drying a unique and hygienic experience. The U-Flow is a fast, energy-efficient and environmentally friendly hand dryer that is suitable for high-traffic facilities.

- Plug-in system for easy maintenance
- integrated HEPA filter (against pollen, dust, mites, tobacco smoke, etc.)
- integrated ionizer & antimicrobial surface reduces microorganisms in the air and on the device
- Dries hands in under 10 seconds
- Adjustable motor power (420 to 1100 W)
- Low noise level (from 72.5 dBA)
- Two removable water tanks for residual water (can alternatively be connected directly to the water drain).

Scope of delivery:

Hygolet Steelline

+ Steelline

products consist of robust, high-quality stainless steel in an elegant design. The hygienic surface is easy to clean and stainless. All Steelline products have a 5-year manufacturer's warranty.

Please note that even high-quality stainless steel products require care and maintenance.

HYGOBAG

Hygomat - Antibacterial urinal mat

The HYGOMAT urinal mat is a disposable product to prevent urine contamination under urinals and toilets. The floor coverings remain clean and are protected against the aggressive uric acid. At the same time the formation of unpleasant odors is nipped in the bud.

HYGOMAT is economical because the floor mat remains fully effective for up to 30 days. The exclusive Hygolet Timestrip is activated when the mat is laid out and provides precise information about its duration of use.

Possible applications:

Hospitals, old-age and care centers, hotels/catering, office buildings, schools, industrial and transport companies, sports/leisure

Art. no.	80.200
GTIN/EAN	7640169531019
Order unit	Box of 12 mats
Size	500 x 8 x 400 mm (WxHxD)
Change cycle	approx. every 4 weeks

Uritabs

Bio-active tablets for the urinal

Natural bacteria eliminate urine scale and the resulting unpleasant odors. Our Uritabs are made of 100% natural ingredients and are harmless to the environment.

Effect:

The natural bacteria spores contained in the Uritabs feed and multiply from organic substances. In this way, Uritabs eliminate the cause of unpleasant odors permanently, namely the formation of urine scale in the drain pipes. They are biodegradable and retain a pleasant smell.

Art. no.	70.030
GTIN/EAN	7640169530012
Order unit	Can with 12 Tabs
Outer Box	8 Cans
Scent	Lavender
Weight	approx. 22g/tab. approx. 340g/can
Change cycle	2 weeks to 2 months (depending on usage)

CONSUMABLES
